What information is needed to perform ID verification?

Permission Support - 2024-11-12 - Identity Verification/KYC

To perform ID verification, you will need the following:

- First Name
- Last Name
- Email
- Address & Country
- Nationality
- Phone Number
- Date of Birth
- A clear and legible copy of the front image of a government-issued identification document (e.g., passport, driver's license, or national ID card). Accepted format: .png, .jpg, .jpeg
- A clear and legible copy of the back image of a government-issued identification document (e.g., passport, driver's license, or national ID card). Accepted format: .png, .jpg, .jpeg
- A clear photograph of yourself from the chest up, with your face completely uncovered. In your hand and also visible should be a sheet of paper with "Permission" and the current date, along with the ID that you have uploaded.

If you are ready to do it, please, fill in [this form](#).
